### **Request for Waiver**

I am requesting a waiver of the deadline to file an appeal of FCC Form 472 (BEAR) Notification Letter issued on October 16, 2014.

### **Appeal:**

Invoice ID; 2068226 was submitted on 9/17/2014 in the undiscounted amount of \$ 41,149.52.

On 9/25/2014 Carmine Tedesco received a service certification request and forwarded it to

Gracia Hyppolite, the Technology Coordinator at Martin DePorres School. On 9/30/2014 Gracia emailed me for help with this request.

On 10/9/2014 I emailed Veronica with the requested information and also explained that after being at E-Rate training in D.C I had a family medical emergency in Boston.

On 10/10/14 Gracia emailed Veronica with all the requested information.

Martin DePorres School, my firm, and Broadview were never informed of the decision to deny Invoice ID 2068226. I never received a Form 472 BEAR Notification Letter. On 8/7/2014 I called the CSB on found out this Invoice ID was denied.

I respectfully ask that you waive the 60 day deadline to appeal this request because neither I nor the service provider (see attached email from Broadview) ever received any documentation on this decision. This was a circumstance beyond my control.

Sincerely,

A handwritten signature in blue ink that reads "Janice Meyers". The signature is stylized, with the first name "Janice" written in a cursive-like script and the last name "Meyers" in a more straightforward, slightly slanted script.

Hello Janice,

This is to confirm that Broadview did not receive a denial letter for Martin de Porres. Also, I have attached a copy of the spreadsheet and the invoices showing a breakdown of all charges. Please note that FRN 2461344 has already been paid in full and FRN 2463234 has been paid \$6441.26.

Thank you,

Aakash,  
Thank you for all your help today. USAC denied the invoice ID 2068226 but shows no record of a return letter. You said Broadview also did not get a letter. Could you please confirm that in an email as I have to appeal the denial? I need a strong case to get this straightened out.

Also you have a list of all the charges from 7/1/13- 6/30/14 showing the total charges, the ineligible and the eligible E-Rate amount to be reimbursed?

Please call me if you have any questions.

Regards,

Veronica,

I just left you a VM. I hope this is not too late. I was in E-rate training in DC, then when I came back had a family medical emergency in Boston.

I am not sure what you are asking for. As far as I can tell there are no ineligible items. Please see the attached bills and worksheet.

Please contact me with questions.

Thank you,

Janice Meyers
